

2022 DEPS Annual S&T Symposium - KNOW BEFORE YOU GO!

The **DEPS Annual Science and Technology Symposium** is only a few days away! We are so excited to be in the beautiful home of Mardi Gras. The downtown area is extremely walkable with shops, restaurants, and plenty of history.

Here are some important things to know before you go... Register! Some of you have submitted visit requests but have not yet registered. Get your registrations in now to avoid issues later. Register and send security info as soon as possible.

Please feel free to forward this message to someone you know that plans to attend but may not have registered yet.

Location:

Short Courses – Monday 4/25 - Renaissance Mobile Riverview – 64 South Waterview Street, Mobile AL, 36602 – this will also be the place for our Roundtable Reception that brings together students and young career professionals who are currently working in the DE community.

All Technical Sessions and Exhibitor Reception – Tuesday 4/26 – 29 - Arthur R. Outlaw Convention Center – 1 South Water Street, Mobile AL, 36602

Technical Breakout Sessions:

Due to local limitations on classified space, there will not be any classified sessions at this event. All presentations will be briefed at an Open/Distribution A or CUI level.

Onsite Check-in hours

*Please note check in begins Monday 4/25 - 0700-1700 PM ET and runs each day 0700 to 1700.

Monday April 25 – All activities including registration, short courses, and the Roundtable Reception will be exclusively at **the Renaissance Mobile Riverview – 64 South Waterview Street – 2nd floor.**

Tuesday - Friday April 26 – 29 – Registration, exhibits and exhibitor reception, technical breakout sessions, poster sessions, and side meetings will be at the **Arthur R. Outlaw Convention Center**. You can access the convention center via skybridge from the hotel 2nd floor.

*Please be prepared to present your identification at onsite badge pick-up. Accepted forms of identification include a passport, CAC, military ID or other government issued form of ID.

Security:

We appreciate your cooperation and understanding with current security measures. If you are planning on attending the Limited Distribution technical sessions, and you have not done so already, please make sure you do the following:
