Dear Directed Energy Professional Society (DEPS),

As co-chairs of the Congressional Directed Energy (DE) Caucus, we look forward to attending your 2017 DE2DC outreach campaign in Washington, DC. We continue to welcome the opportunity to educate ourselves and others in Directed Energy, and we benefit greatly in expanding our understanding of these technologies through the DE Educational Outreach Campaign and the annual DE2DC event.

Your March presentations will play an important role in educating the 115<sup>th</sup> Congress and the caucus staff on the maturity and viability of Directed Energy technology. We thank you for your continuing efforts in this field, and we are proud to attend this educational event.

Sincerely,

JIM LANGEVIN  
Member of Congress  
Co-Chair  
Congressional Directed Energy Caucus
