

Scaling for HEL and Relay Engagements

Contact share@mza.com for information

Introduction to Laser System Modeling

using SHαRE

Jun 27-29 10am-6pm ET

\$1,850/student

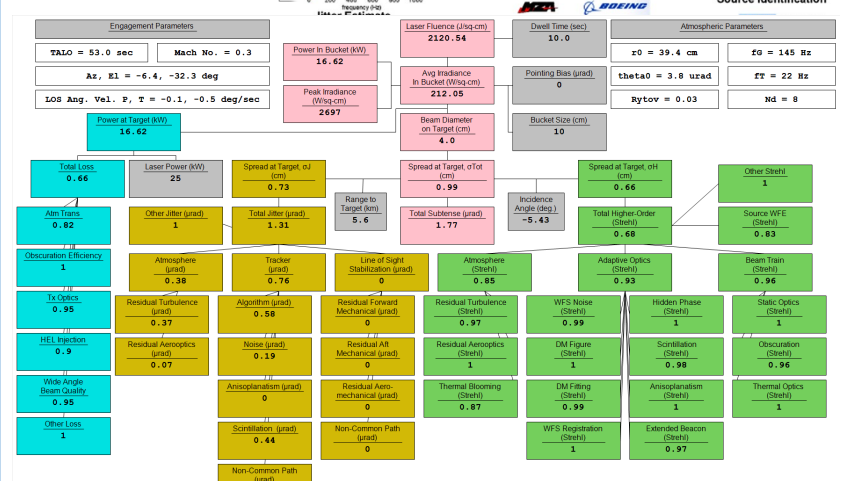

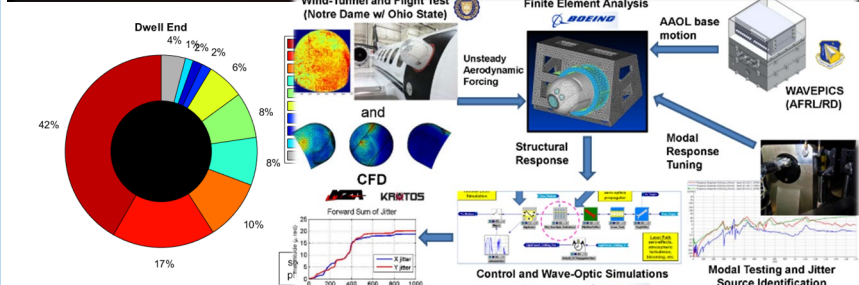

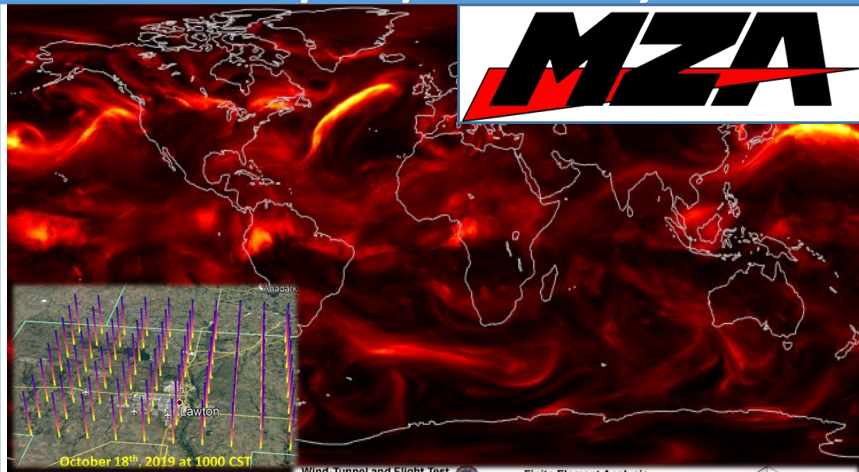

Virtual training using Zoom for Government
 In-person may be available in Albuquerque and Dayton*

System Modeling

- *ATMTools and EngagementTools*
- *Propagation and beam control*
- *Aero-optical effects*
- *Modeling techniques with SHαRE*
- *SHαRE model development*
- *Hands-on with Matlab*
- *Example models*

New Features

- *2023A Release*
- *ATMOpY*
- *SHαREpY*
- *LEEDR Wx Cubes*

*depending on attendance
